Instructions for Accessing the Mandatory Workplace Safety Course

The training course, with a total duration of **4 hours**, is delivered in **e-learning mode** and is available on the University platform at the following address:

Corso: Sicurezza del lavoro (riservato ai tirocinanti)

The platform will require authentication. Enter your university *username* (for example, *mrossi@stud.uniroma3.it*). In the password field, enter the same password used to access Roma Tre online services.

To enrol the course, it is necessary to click on "**Iscrivimi**".

The course must be completed before the start of the internship activities and **will be considered successfully completed only after passing the mandatory final assessment test, which may be retaken up to three times.**

To request the **Certificate of Attendance and Successful Completion**, please send an email to sicurezza.tirocinanti@uniroma3.it, including the following information:

- First name and surname
- Place of birth
- Date of birth

The **Ufficio Formazione**, represented by **Dr. Baldazzi**, is available to provide information, assistance with access issues related to the e-learning platform, and support regarding documentation certifying participation in the course.

Please contact the Office at the email address indicated above.
